

## SWARC POTA Event Guidelines

On February 17, 2024 SWARC Members will be activating the Horsemen's Area of Jefferson Lake State Park with a Pass-The-Mike POTA Event. Each participant will be considered a POTA Activator. POTA Activators must have an active POTA account. If you do not have a POTA account follow the steps below prior to our event:

1. Go to the Parks on the Air website by using this link: <https://pota.app/#/>
2. Click on "SIGN UP" in the top right corner of the screen
3. Follow the instructions to complete setting up your account. Part of the account setup requires responding to a confirmation email and subsequent approval of your new account so make sure you do this a few days prior to our event.
